Dear Mr. Newman,

Thanks very much for your willingness to help us in our listings for the book on Maryland obsolete currency. As you suggest, I'll be back in touch as soon as Dr. Rothstein has finished with our initial draft and his additions are in place.

In the current issue of "The Maryland Numismatist" the enclosed notice by Robert Morris in the "Maryland Gazette" showed, although I'm sure that it is not new to you, I thought I'd let you throw it away!

Good luck in your microfilm search.

Regards,
Denwood Kelly

A MARYLAND CURRENCY COUNTERFEIT TALE

Submitted by: Hank Schab

This interesting and unusual notice was seen in the 20 February 1783 issue of the Maryland Gazette:

"Notice is hereby given to all whom it may concern that counterfeits here appeared of the notes issued from this office, struck on copper plates in the following form "At sight pay to the bearer $20 for which this shall be your sufficient warrant "which notes are signed by me and directed to Mr. John Swanwick, Phila. There are some notes of the same kind for $50 and some for $80, which may perhaps be detected,but from apprehension that such acts would be practiced I long since desisted from issuing them and cancelled those which were brought in for payment. There are now out only $16675 and as no great convenience can arise from putting a stop to the circulation of so trivial a sum, the public are cautioned against receiving any note struck on copper plate and signed with my name. All persons holding those which are genuine are desired to send them to Mr. Swanwick and receive the money".

NUMISMATIC NEWS, a weekly publication of Krause Publications, in order to celebrate it's 35th anniversary, will devote an entire bonus issue to a comprehensive review of the changes that have shaped coin collecting into the successful industry it is today.

Cliff Mishler has said he wants to provide the subscribers with something that is more than a souvenir. This issue is to tell where we were, what we did, where we are and where we are going. It will take a look at the part Krause Publications has played, and is playing in the overall picture.

This special issue will be the 53rd issue of 1987 and will be distributed in August to all regular Numismatic News Subscribers plus a select group of hobbyists at large.

Subscriptions to Numismatic News may be obtained by sending $23. to Krause Publications, 700 E. State St, Iola, WI, 54990.

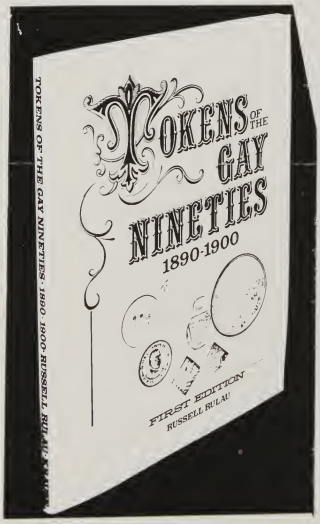
TOKENS OF THE GAY NINETIES 1890-1900: another new kid on the block. Not only do we have our Maryland Tok'en Book we now have Russ Rulau's fifth volume in his planned series of std token catalogs.



Included in this softbound volume are 160 + pages of material which includes over 1000 photos of tokens store cards, medalets and advertising pieces from this 11 year period. Russ catalogs the current market prices of these tokens in up to four grades of preservation.

To quote Russ: "an age of carefree innocence in an industrializing America, which came of age with the Columbian Exposition of 1893 and the Spanish/American Ware of 1898. There is a gaiety, a joie de vivre, a good old summertime feeling associated with the decade of the Nineties. Readers of this book will sense it as they scan the metallic mementoes of the American Dream of a bygone era--before they knew it was the American Dream."

This valuable addition to your library is available at many dealers for $12.95 a copy. If unavailable locally, send $12.95 plus $2.50 for postage & handling ($4.50 extra foreign)to Krause P ublications, 700 E. State St, Iola, WI, 54990

Dear Mr. Kelly:

Thank you so much for your enclosure of the Robert Morris matter. The advertisement was new to me but the content of the text was included in my article on Robert Morris in the Nov. 1977 Numismatist. If you read that article I think you will find it most curious.

I have not yet found the advertisement in the Maryland papers of 1837 but will ask Schab to help me if I have no luck.

My kindest wishes

Dear Mr. Kelly:

In your letter to me of June 10, 1987, you stated you were working on a catalog of Maryland currency with Tom Gordon and Armand Shank. Originally I responded on June 23, 1987 that we had a substantial quantity.

I am now pleased to send you an inventory we have prepared which will give you the detail of our holdings and I hope it will be beneficial to your publication.

If Tom Gordon or Armand Shank wishes to help us in finding a newspaper advertisement in a Baltimore paper in 1837 which you endeavored to locate, we would be very appreciative.

Sincerly,

Eric P. Newman

Dear Mr. Newman:

Thank you so much for your courtesy in having prepared, and then giving us, a copy of the inventory of your collection of Maryland obsolete notes. I only hope that it was something that needed to, or should be, done and that my request was merely the catalyst. Irrespective of that, the Society and I sincerely appreciate your thoughtfulness.

I have checked the inventory against my working notes and find quite a few notes that are either new to our listing or would seem to represent a previously unrecorded minor variety. Would it be possible to secure photocopies of them? I have made a copy of your inventory and "x"ed in red the ones that I'd like to get if you can grant the request. Needless to say, I will be glad to defray the cost or, alternatively, make a contribution to the Education Society. I am taking the liberty of enclosing the list.

Tom Gordon and Armand Shank are poor prospects for newspaper searching, but I shall have some extra time during the next few weeks as I am marking time awaiting Dr. Rothstein's review of our listings. We have microfilms of several papers of the proper period and I'll see what I can find.

Eventually I may want to photograph some of your notes and if this meets with your approval could fly out to do the work. I have some 500 photos on hand now and will use Dr. Rothstein's collection as a principal source, of course.

With kindest regards,

Sincerely,

Denwood N. Kelly

Dear Mr. Kelly:

I enclose photocopies of the Maryland items you requested from us. I hope you find new items among them.

You will note that Reistertown was spelled incorrectly in the list and entered as Registertown.

It would be a pleasure to have you come to St. Louis to photograph those you select for publication. Just let me know when.

We are pleased to be of help.

Sincerely,
